Exciting Lake Action

Once again a free pontoon shuttle to the Festival will be available. Pontoon shuttle every 20 minutes from the city boat launch just north of City Hall across Fowler Lake to the festival grounds at Fowler Park, and then back again after your visit. The shuttle is provided this year compliments of the Boat House in Nashotah. When you visit them you will see their newly remodeled showroom and maintenance facility.

Look for Light up the Lakes, an annual boat parade held on Lac La Belle in conjunction with Festival Week. Beautifully lit boats circle the lake at dusk, to the delight of the many spectators. This year's parade will take place at City Beach on Saturday, August 15, following the 7:30 p.m. concert by the American Legion Band. A fireworks display will end the evening. If you can help next year, email lightuplaclabelle@gmail.com for information. Tune into 107.5 FM to hear a live broadcast of the event.

The mission of the Oconomowoc Festival of the Arts is to bring fine art to the Oconomowoc area through an annual, juried festival of the arts; to provide cultural and educational opportunities; and to promote public art through philanthropic gifts of art to the community.

The Harmony Statue of Oconomowoc

Photo submitted by Lynne Frank

Last August the board members of the Oconomowoc Festival of the Arts presented the city with a statue of "Harmony" for the John and Lavinia Rockwell Park. "Harmony", a life-sized bronze sculpture was designed by John Hallett, a local retired veterinarian. Resident Mike Herro and his niece, Eddy, were the inspiration for the piece which pictures the uncle holding his niece on his back. "Harmony" at Rockwell Park, and "Melody" at the Oconomowoc Arts Center complement one another in conveying the significance of music to the arts scene in Oconomowoc.

Children's Art Area

Come with your children to explore the activities that we offer at the Children's Tent — celebrating the 250th Anniversary of our country with a red, white, and blue theme. Projects will include: mural painting, tattoos, bracelet making, fireworks painting, face painting, a special project, and a Photo Booth. Also, try the scavenger hunt — check off all items listed and return the completed sheet to the children's tent for a fun prize! Yet another way to enjoy the Festival!

Silent Art Auction

Visit the Silent Art Auction Tent located between the Food Tent and Children's Art Area. Donated art pieces are auctioned in two separate auctions: one Saturday, the second Sunday. A bid sheet is attached to each piece of art with a starting bid. You may place a bid by writing your name, phone number and bid amount on the sheet. **All bids must increased by \$5.00.**

The Auction operates from 11:00am to 3:00pm. At 3:00pm each day, all bidding ceases. Auction volunteers will notify winners by phone. Items may be picked up until 5:00pm. Items from the Saturday Auction that are not picked up by noon Sunday will go back up for bid in the Sunday Auction.

Proceeds from the auction will help fund scholarships for local students pursuing a career in the arts. We appreciate the Festival artists and their generous contributions and commitment to our Festival. Good luck to all the bidders and thank you for supporting the Oconomowoc Festival of the Arts!

2026 Festival Logo Artists Leon and Tracy Sadlo

Leon and Tracy Sadlo are the husband-and-wife artists who created this year's vibrant festival logo for our program cover, T-shirts, and posters around town. Their enterprise, Sadlo Fine Art, creates dimensional photographic artwork inspired by the natural beauty of the American landscape — especially the powerful, ever-changing shores of Lake Superior. Working together for over 25 years, they share a deep love of nature and a passion for translating its quiet details into compelling visual experiences.

Their work extends beyond traditional photography. Once an image

is captured, each piece is meticulously constructed through a layered process that fuses metal, canvas, and wood into a unified composition. The result is sculptural, multi-dimensional artwork that interacts with light, depth, and perspective — shifting throughout the day and offering a new experience from every angle.

Each piece is handcrafted from start to finish in limited editions using museum-quality archival materials. Designed to endure, their work goes beyond the image — sparking conversation, inviting curiosity, and creating a deeper connection with the spaces it inhabits.

Festival Awards Ceremony Sunday 1:00 p.m.

Be sure to catch the Festival Awards ceremony Sunday at 1:00 p.m. on the Pavilion Stage. The awards ceremony is the culmination of the jurying process, and it is wonderful to see the artists rewarded for their creativity and dedication to their artistic vision. Artists awards are presented in the following categories: Best of Category — ceramics, drawing/pastels/printmaking, fiber/leather, glass, jewelry, modded media 2D, mixed media 3D, painting, photography, sculpture, and wood; and Best of Show.

In order to maintain a fresh perspective the judges change from year to year. Winning artists are extended an invitation to participate in next year's show.

The Festival of Arts is able to maintain a high caliber of art in our show because it is juried, meaning that as part of the selection process artists must submit examples of their work, which is reviewed anonymously by an independent jury.

Another important part of the Awards ceremony is the presentation of scholarships. Each year high school students attending Oconomowoc schools or residing in the district are given the opportunity to compete for several scholarships. Over the past 50 years, the Festival of the Arts has awarded over \$200,000 in scholarships to students intending to pursue careers in the arts.

This year's talented scholarship recipients are featured on page 13. We look forward to seeing you at this year's Awards ceremony.

IN MEMORIAM

Ann O. Hasselkus

1937-2026

The OFA community lost one of its valued members in April with the passing of Ann Hasselkus.

Ann blazed trails as one of the first female graduate of UW-Madison's landscape architecture class. She and her late husband Bob designed and built for the Waukesha County Park System, including Nagawaukee Park and the Wanaki Golf Course. She also designed the landscape for Angels Grace Hospice and Village Green Oconomowoc, among others.

Ann was a co-founder of OFA. She was past president (a few times)! and worked the festival each year with quiet yet dogged determination (rain or shine). No task was beneath her. She chaired the Park Enhancement Patrol, which is another name for "garbage pick-up."

She was innovative. Early on she added credit card machines so artists could have another form of payment. She established the Shuttle Bus network.

From its inception, Ann demonstrated her enduring dedication to the art community through her Oconomowoc Festival of the Arts leadership. For 52 weeks a year, she passionately recruited artists, volunteers and encouraged community attendance.
